**Sub: Provisional Classes for Class XI 2024**

Madam/Sir,

This is to inform you that provisional admission to class XI may commence from April 15, without waiting for the declaration of class X Board Exam results. It has been noted that delays in starting class XI often lead to incomplete syllabus coverage potentially affecting students' academic progress and performance in crucial entrance exams like NEET, JEE, CUET, NATA etc. To ensure adequate syllabus coverage and uphold the best interest of students, it is essential for all Sr. Secondary schools to begin class XI session from April 15.

Hence, you are requested for prompt dissemination of this directive to all Sr. Secondary Schools within your district.

Your cooperation in this matter is greatly appreciated.
